Regarding HPA #10-218, 2935 Macomb Street NW

WHEREAS the owners of 2935 Macomb Street, NW, a contributing house in the Cleveland Park Historic District have filed with the DC Historic Preservation Review Board (“HPRB”) for concept review of a one-story side addition (HPA #10-218); and

WHEREAS the addition will be set back 23 feet 5 inches from the existing front wall of house and will extend 14 feet beyond the existing side deck which is behind the wrap around porch; and

WHEREAS the view from Macomb Street of the addition will be partial and will not detract from the prominence of the original structure due to the set back; and

WHEREAS the proposed materials, windows, and roof treatment are compatible with the original structure:

BE IT RESOLVED that Advisory Neighborhood Commission 3C has no objection to the proposal and urges the HPRB to approve the application;

BE IT FURTHER RESOLVED that the Chair and Commissioner MacWood are authorized to represent the Commission on this matter.
