**ANC 3C Resolution No. 2017-004**  
**Regarding a District Department of Transportation Public Space**  
**application for an open sidewalk café at Jetties, 3708 Macomb**  
**Street, NW**

Whereas, the owner of Jetties, 3708 Macomb St., a sandwich and sweets establishment, has filed for an open sidewalk café permit in public space that would include four 24" diameter tables with two chairs each; and

Whereas, there has been a permitted sidewalk café on a low profile wooden platform at this location for several years and the dimensions of the new platform would not materially change; and

Whereas, the application includes planter boxes between the edge of the platform and the curb and along the sides of the structure, as well as a mobile large tree planter; and

Whereas, the sidewalk café would operate from 7AM to 11PM:

Be It Resolved that ANC 3C has no objection to the plans for a sidewalk café deck with tables and chairs as long as the spacing standards used by the Office of Public Space are met;

Be It Further Resolved that ANC 3C wants to bring to the attention of the Public Space Office that DDOT and UFA have been working with the commissioner for SMD 3C09 to create public treeboxes on this block of Macomb St. to improve the streetscape with trees and DDOT has agreed to create the treeboxes, one of which would be in front of Jetties. Therefore, ANC 3C requests that the large mobile planter is not needed and should not be approved;

BE IT FURTHER RESOLVED that the Chair, the 3C09 Commissioner, or their designees are authorized to represent the commission on this matter.
