**ANC3C Resolution 2018-038**  
**Regarding Historic Preservation Review Board Application for 3426 Macomb Street NW for Rear Two-Story Addition**

Whereas, the owners of a house built in 1895 that is a contributing house in the Cleveland Park Historic District at 3426 Macomb Street filed for concept review with the DC Historic Preservation Review Board (HPRB), HPA #19-063; and

Whereas, the proposal would add structure on the first and second floors to fill in spaces on the west side of the house currently featuring bay windows, which are not visible from the street; and

Whereas, the proposal would minimally expand the footprint of an existing rear porch, enclose it and add a second story; and

Whereas, the windows, exterior treatment and finishes would be compatible with the original structure and the historic district:

Be It Resolved, that ANC 3C has no objection to the proposal;

Be It Further Resolved that the Chair and her designee(s) are authorized to represent the commission on this matter.
