ANC 3C Resolution No. 2016-027
Resolution Regarding a DDOT Public Space Application for a New
Driveway and Retaining Walls, 3450 Ordway Street NW

Whereas, the owners of 3450 Ordway Street have filed for permits (DDOT Tracking Number 12654) to construct a new 10 feet wide driveway and retaining walls in public space; and

Whereas, the retaining walls would enclose the sides of the driveway that will access an underground garage; and

Whereas, a second set of parallel retaining walls at grade would create a planting area next to the rear portion of the driveway, but would not extend the full length of the driveway; and

Whereas, the adjoining property owners have been shown the driveway and retaining wall plans and have no objection to the proposal:

Be It Resolved that ANC 3C has no objection to the permitting of a new driveway and associated retaining walls at 3450 Ordway Street;

Be It Resolved that the Chair and the 3C09 commissioner, or their designee, is authorized to represent the commission on this matter
