

WARD 3 SHORT TERM FAMILY HOUSING (STFH)
PHASE II STFH FACILITY CONSTRUCTION UPDATE
August 9, 2019

50 Short-Term Family Housing Units	Dedicated Play & Common Areas	Supportive Programs	Community-Integrated Architectural Design
Substantial Completion December 31, 2019		New families are projected to move in starting March 2020	

Project Status:

- Mechanical, Electrical, and Plumbing (MEP) infrastructure and fixtures continue on all floors.
- Installation of windows is in progress.
- Fire proofing installation & exterior air barrier are ongoing.
- Structural steel angle to support the brick is being installed.
- Elevator shaft installation has begun.
- Utility installation has started
- Drywall installation has started at the 1st through the 5th floors

Community Advisory:

- Pepco will be installing new services for the STFH facility mid-August which will require a final shutdown for MPD.
- Material deliveries will continue on a weekly basis providing dry wall, brick masonry, and windows.

Note: *Smoot, the general contractor is on site and will provide flaggers who will control traffic and ensure safety during all deliveries.*
