**Announcements:**

1. Commissioner MacWood said 3C05 has a vacancy. If the ANC is going to fill the vacancy before the November election, it must be filled by June 11, so ANC3C is scheduling a tentative in-person meeting on June 10 to vote. The vote will be 7-8 p.m. in person if it occurs, but will proceed only if it safe for people to meet.
2. Jamaal Jordan, Pepco manager, wants people to reduce energy use. There will be a credit to customers and stop disconnection to July 1.

**Community Forum:**

Tony Donaldson introduced himself as the new Ward 3 Liaison to the Mayor's Office of Community Relations. He said the stay-at-home order has been extended and the Mayor's budget has been released. A new DCPS elementary school in Ward 3, Foxhall School will be included in the Budget hearings. Contact him at [tony.donaldson@dc.gov](mailto:tony.donaldson@dc.gov).

### **Consent Calendar:**

Commissioner Dubois made a motion to approve the consent calendar, which included the Historic Preservation Review Board Application (HPA 20-232) regarding 3610 Quebec Street NW for a side addition; an ABRA-115103 Class C Restaurant License for Mayahuel Cocina Mexicana at 2609 24th Street NW for a substantial change of an expansion of premises to occupy 2605-2609 24th Street while retaining existing occupancy load of 120 patrons; and a Board of Zoning Application regarding 3529 Connecticut Avenue NW for Chase Bank requesting a waiver of the maximum 20% of commercial area frontage limitation on financial institutions in Cleveland Park. The motion was approved by voice vote.

### **Commission Business:**

#### ***1. Presentation from DDOT on Cleveland Park Drainage and Streetscape Project and the Connecticut Avenue Reversible Lane Study***

Donise Jackson discussed the Connecticut Avenue reversible lane study. The first phase should be done by the end of 2020. The second phase is an environmental study scheduled to be conducted during the first half of 2021. The Cleveland Park streetscape construction should start by the end of the year.

Paving season has started. The paving map for the District is live at [ddot.dc.gov/pavedc](http://ddot.dc.gov/pavedc). The agency will give 72-hour notice to residents. Contact [vision.zero@dc.gov](mailto:vision.zero@dc.gov) for sidewalk extension requests.

Restaurant pick-up and drop-off permits are still being issued. ANCs should submit requests through TOPS for each restaurant.

There were several questions about both projects concerning timing, public information source, as well as about duration of emergency order temporary traffic and parking changes.

#### ***2. Consideration of a Historic Preservation Review Board Application (HPA 20-234) regarding 3512 Lowell Street NW for new guesthouse and replacement garage***

Owner Nancy Herman, Architect Anne Decker and Anne Mosher presented information. Commissioner MacWood read and moved the resolution. The adjoining neighbor said the current garage was determined by the HPRB to be contributing structure and if it demolished it should be replaced. He also recommended that the location of guesthouse structure should be farther from the west side lot line adjoining his property. Rick Nash, President of Cleveland Park Historical Society, agreed that the garage should not be demolished but restored. The motion was approved by voice vote.
