ANC3C Resolution 2022-CONSENT
Regarding the Renovation & Modernization of Hardy Middle School

Whereas Hardy Middle School was built in 1929 at 1819 35th Street NW and is almost 100 years old;

Whereas Hardy Middle School was last renovated fourteen years ago in 2008;

Whereas, four years ago, the Deputy Mayor for Education projected that, during the 2022-2023 school year, Hardy would enroll 471 students, and, during the 2027-2028 school year, it would enroll 566 students;

Whereas, during the 2021-2022 school year, Hardy Middle School is already up to 541 students, approaching the 2027-2028 projected enrollment;

Whereas Hardy Middle School is growing fast - over 60% in the last five years - and if that keeps up, it will approach 1,000 students over the next five years;

Whereas, Hardy Middle School's cafeteria is already too small according to the Hardy Middle School Parent Teacher Organization (PTO), and needs to be expanded as soon as possible;

Whereas, the PTO further reports that the small, old, non-regulation turf field at Hardy Middle School is outdated and in terrible shape and has resulted in several injuries due to the poor field condition;

Whereas ANCs 2E and 3B have already adopted resolutions or letters in support of the renovations;

Therefore, be it resolved that, ANC 3C supports the Hardy PTO's request for capital budget funds to renovate the Hardy Middle School building and asks Mayor Bowser, Councilmember Pinto, and Councilmember Cheh to push for such funding to begin in FY23.

Be it further resolved that the Chair, the Commissioner for 3C04, or their designee represent ANC 3C on this matter.
