ANC 3C Resolution 2024-CONSENT
Regarding Historic Preservation Review Board Application for 2944 Macomb St NW
(HPA 24-439)

Whereas, the owners of a home at 2944 Macomb St NW, a single-family home in the Cleveland Park Historic District, have filed an application to the Historic Preservation Review Board 24-439 to install a temporary wheelchair lift at front stoop of residence for owner to have easier access to home;

Whereas, the proposed lift is temporary and can be removed;

Whereas, there will be no work in public space and no removal of roof or floor framing, or bearing walls;

Whereas, the owners have made concerted efforts to reach out to all neighbors and have not heard any negative feedback on the proposed changes;

Whereas, at least five neighbors have submitted comments overwhelmingly in support directly to ANC 3C supporting the application; and

Whereas, the installation of this wheelchair lift is a basic necessity for the owner to live in their home.

Be It Resolved that ANC 3C supports the additions and changes outlined in the application;

Be It Further Resolved that ANC 3C urges the HPRB and HPO to simplify and expedite review of accessibility-driven alterations that can be removed and the structure restored to its prior condition when such alterations are no longer needed. Ordinarily such alterations should be reviewed and approved by HPO staff without necessity of an HPRB hearing; and

Be It Resolved that the ANC authorizes the Chair and the Commissioner for 3C05 to represent the Commission on this matter.
