**RE: ANC3C Letter in Support of a Request for Protected Bike Lanes (PBLs) on Calvert Street, NW,
between 24th and 29th Streets, NW**

Director Kershbaum,

At a regularly scheduled and properly noticed public meeting on November 18, 2024 with a quorum present, a quorum being five commissioners, Advisory Neighborhood Commission 3C (ANC3C) voted 7-0-0 to submit this letter of support of the protected bike lanes (PBL) on Calvert Street, NW between 24th and 29th Streets, NW.

ANC3C has received and reviewed the plans for “flipping” existing unprotected bike lanes and parking along Calvert Street NW between 24th and 29th Streets and building out a protected bike lane in its place, while also maintaining the parking. This proposal was sent to ANC3C by Carmel Partners, the developers of the Wardman Park, at the request of DDOT.

This proposal will result in no loss in parking and a safer route to school for Oyster-Adams students. As such, ANC3C is in support of this proposal.

The Commission authorizes the Chair and the Commissioners for 3C02 and/or their approved designee(s) to represent the Commission on this matter.

Sincerely,

Janell Pagats
Chair ANC 3C
Single Member District 3C03
